Accommodation

Registered delegates will be accommodated in Faculty House and Farmers Hostel facility of the CCS Haryana Agricultural University or at the available guest houses in different institutes on first-come first serve basis and chargeable as per the official prescribed rates of respective Institutes. For Hotel accommodation, coordination between participant and hotel will be arranged. Tariff of hotels ranges between ₹ 2,000- 5,000/day.

Venue and Location

Hisar is well connected through buses from neighbouring states as well as ISBT, Kashmiri Gate, Delhi (24x7). The Hisar city is directly connected to many major cities of different states through Railway routes. Alternatively, one can reach to Delhi and catch a train for Hisar. The weather during December is winter with average maximum temperature of 25°C and minimum temperature 10°C. Participants are advised to carry moderate to heavy winter clothing.

Sight Seeing

Hisar is famous for Harappan settlements (Rakhi Garhi), historical forts and ancient holy places such as Agroha Dham. Depending upon number of participants, we may arrange local sight seeing of Hisar city.

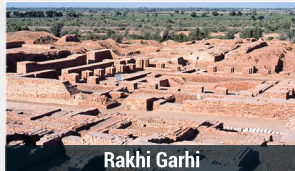

Agroha Dham

Blue Bird Lake

Firoz Shah Palace Complex

Rakhi Garhi

Invitation

Esteemed Colleagues,

It gives us great pleasure in extending a warm and cordial invitation to you on behalf of Lala Lajpat Rai University of Veterinary and Animal Sciences (LUVAS) and Indian Association of Veterinary Public Health Specialists (IAVPHS), to participate in International Symposium on "Promotion of One Health: Opportunities, Challenges and Solutions" and XIXth Annual Conference of Indian Association of Veterinary Public Health Specialists (IAVPHS) being organized by the Department of Veterinary Public Health and Epidemiology, College of Veterinary Sciences, LUVAS, Hisar in collaboration with IAVPHS during 7th – 8th December, 2023.

Following the G20 Presidency declaration of 'One Earth, One Family, One Future', it is imperative to take forward the One Health, a collaborative, multisectoral, and transdisciplinary approach working at the local, regional, national, and global levels with the goal of achieving optimal human health by establishing the link between the people, animals, plants, and their shared environment. With this background, the **Annual Conference and the International Symposium** will provide a unique platform for scientific deliberations, professional networking and interactions on addressing the one health issues. We look forward to have your presence at the Annual Conference and International Symposium.

With Kind Regards
Organizing Committee

About the Host Institute

Lala Lajpat Rai University of Veterinary and Animal Sciences (LUVAS) Hisar, Haryana came into existence w.e.f. December 1, 2010 with the prophecy to produce competent academicians and progression of animal production sector activities, applied research and entrepreneurship in the field of animal health, production and allied subjects through integrated teaching, research and extension activities.

The College of Veterinary Sciences is one of the oldest Veterinary Colleges in Northern India celebrating its glorious history of 75 years. From Lyallpur (currently in Pakistan), the Campus at Hisar was shifted consequent to partition of India as a constituent college of erstwhile Punjab Agricultural University and later CCS Haryana Agricultural University.

The Department of Veterinary Public Health and Epidemiology was established in the year 1978 and is engaged in teaching, research and extension activities. Research activities broadly include Public Health (food safety, zoonoses and environmental hygiene) and Epidemiology (livestock and poultry disease investigations). Large number of farmers visit department for disease investigation in poultry, sheep, cattle, buffalo and pigs. Outbreaks throughout the state in different spp. are investigated and preventive and control measures are suggested for their containment. Disease Investigation Laboratories of the department also exist at six districts namely Ambala, Bhiwani, Jind, Narnaul, Rohtak and Sirsa of the state. The department is also having the state designated laboratories for diagnosis of Avian influenza, Lumpy skin disease and African swine fever.

About IAVPHS

The Indian Association of Veterinary Public Health Specialists (IAVPHS) was established on 3rd May, 1997. The association focuses on broad areas of Veterinary Public Health including food safety, zoonoses, environmental hygiene, comparative pathology, biomedicine, and related public health fields under the umbrella of One Health. It has been organizing Annual conferences and National/ International Symposiums since 2002. Till now 18 such conferences have been organized in various places of the country. There are about 1000 active life members who drive the activities of IAVPHS with zeal to achieve the mandates and goals of the association.

Symposium Scientific Sessions

1. Zoonoses and Trans-boundary Infectious Diseases: Epidemiology, Containment and Biosecurity Measures
2. One Health Approach: Pathobiome, Socioeconomics Opportunities and Challenges
3. Food Safety and Public Health: Recent Advances, Challenges and Solutions
4. 21st Century issues: Antimicrobial Resistance, Climate Change, Environment and Wild Life
5. Host Pathogen Interactions: Epidemiology, Microbiology, Pathology, Parasitology, Microbiome, Metagenomics, Genomics and Proteomics
6. Ideation concept: Related to Promotion of Public Health

Call for Abstracts

We welcome submission of abstracts related to the symposium scientific sessions. The presenting author must submit the abstract for the conference latest by 15th November. The portal for submission of abstract will close after 15th Nov. and no paper will be accepted. The abstract should be submitted through online system available at www.iavphscon.org. After due process of screening and reviewing, abstracts will be assigned for oral/poster presentation. Once abstract is accepted, participants can register through online system latest by 16th November (early bird) but not later than 30th November 2023 (with late fee).

Awards

- Dr. V.N. Bacchil Young Scientist Award
- Dr. S.P. Singh Best Research Paper Award
- Prof. Mahendra Pal Zoonoses Award
- Dr. A.T. Sherikar Outstanding Public Health Veterinarian Award
- Dr. R.K. Agarwal Food Safety Award
- IAVPHS Lifetime Achievement Award
- Fellow of IAVPHS
- Dr. P. D. Deshpande Best Research Paper on Epidemiology Award
- Best Thesis Awards (M.V.Sc. and Ph.D.)
- Best Oral and Poster Presentation Awards (session-wise)

Opportunities for award winning students

The students who get awards for abstracts submitted and presented will be provided consolidated travel grant or Gifts.

For more details of the awards, please visit www.iavphs.org.in

Registration

All the participants are required to register themselves for the conference (Please refer to refund policy before registration).

The registration fee as determined by your delegate status entered in the online form may please be submitted by online mode through RTGS/NEFT

Students/ Research Scholars (IAVPHS Members)	₹ 2,500	₹ 3,000
Students/ Research Scholars (Non IAVPHS Members)	₹ 3,500	₹ 4,000
Accompanying person (Without paper presentation)	₹ 3,000	₹ 3,500
Retired members of IAVPHS	Nil	Nil

Sponsorship Opportunities

The International Symposium and Annual Conference of IAVPHS is expected to gather researchers and academicians committed to promotion of One Health from reputed organizations in India and Abroad. The gathering will be comprised of experts in the area of molecular diagnostics, food microbiology, clinical microbiology, veterinary and medical epidemiology, pathology and many more diversified disciplines. This would also provide an opportunity for businesses to showcase their presence. Following are the categories for various sponsorship opportunities:
